Selectmen's Meeting

AUGUST 21, 1984 - by VIRGINIA ARRAL

NEEDED-A NEW DAM TO HELP THE HERRING

"Your inspector recommends some action of the towns which will allow the young herring to descend the river more freely." This report was made and signed by Ezra C. Bridgham, herring inspector for Mattapoisett in the year 1901.

Some things seem to keep cropping up every 50 years. There may have been complaints before or after this one above, but this one was prominent in the Annual Town Report of 1901-1902.

In a joint effort to build a new dam over the Mattapoisett River, Selectmen met last Tuesday with members of the Fin, Fur and Feather Club, the Fairhaven Water Department and representatives from Rochester.

Spokesman Jack Sylvia, chairman of the club's River Restoration Committee, said his group's concern about environmental and safety problems at the 63-year old dam prompted him to write to Senator William Q. "Biff" MacLean in July to ask for his support in getting funds for a new dam and fish ladder.

Mattapoisett Selectmen's reason for call-

ing the meeting was to have the club's chairman explain the project. "We had no knowledge of your (club's) plans until we received a notice that Senator MacLean was asked for help. We needed more information," said Chairman John DeCosta.

In the words of Selectman William Suzan, "We've got to work as a team. Everyone has the same motives--protecting property, safety for people and preserving the herring in the Mattapoisett River."

Selectmen agreed to hold an informal session among the herring inspectors of Marion, Mattapoisett and Rochester, selectmen, club members, Fairhaven Water Department and Joseph DiCarlo, agent of the state Division of Marine Fisheries, before they meet formally with state officials.

Sylvia said, "We understand there is state and federal money to do this type of project. If we don't get either state or federal money, the project won't fly." He added that "we are not planning to ask the towns for any funds." The total cost of the project, according to Sylvia, is estimated at $111,045 and should not be delayed two to three years. If the money is there now, we should take advantage and "go first class". The state Marine Fisheries can build the dam as they have done others similar to what is needed, Sylvia said.

In a reply to a question from Rochester Selectman David Hughes, Project Design Engineer John DeRugeris said there definitely has to be some work done in three to four years to maintain the flow. Jeffrey Osuch of the Fairhaven Water Department said, weatherwise, the summer might be the best time to do the work, but we need to keep the river flowing for the extra burden of pumping water in the hot months -- perhaps September would be the best month.

Selectman James F. Huntoon stressed several times that many people didn't know that the Mattapoisett River Pumping Station belongs to Fairhaven and the dam belongs to Fairhaven but that Mattapoisett Selectmen control the herring.

Sylvia explained the club members were waiting for the water to dry up so they could do some more clean-up and maintenance work on the dam and the river. Stones have been delivered to some private property in preparation for building up to prevent erosion on Branch Brook. He noted there are some sensitive areas where private property owners are not receptive to any repair work being done on their property.

Rochester's herring inspector William Watling was present; however, Tony Nunes, Mattapoisett's inspector, was hospitalized and Homer Robinson cf Marion was attending another meeting. Watling has expressed his opinion that the three towns that support the herring run should agree to close it down for 15 years until the herring population grows.

In other business, Selectmen:

MET WITH Paul M. Kelley, Jr., firefighter and Fire Alarm Superintendent, who tossed an accusation of harassment at the Selectmen when he accused them of being unfair when he said he was singled out at a previous meeting as one of the firefighters not having completed his certification.

Kelley's main objection was having his name in the press without the Fire Department and Selectmen first checking with him as to his proper credentials covering First Responder certification.

Mary Jane Rimmer-Doherty, who was in charge of certification of firefighters, said she had made several attempts to reach him after she received the letter from the state Board of Health on July 26th. Kelley contended he was in town but did not receive any call.

Mrs. Doherty said the names of Donald Linhares, LeRoy Jones and Peter Perkins were mentioned at the earlier meeting - Linhares was found to have his certification in order; Jones' case is not closed and he must substantiate his qualifications; Perkins made no attempt to obtain certification and had to be released from duty.

Kelley explained he got his certificate

at Massachusetts Maritime Academy and offered a letter to prove his claim. He claimed the problem stemmed from a state Board of Health error. Kelley asserted, "I do my job and I feel you're harassing me."

Selectman Frank Suzan said that the board at that earlier meeting stressed that you (Kelley) were doing your best and that it was just an oversight that the certification was incomplete.

Fire Chief Donald Wood sat through most of the session until he could contain himself no longer. He said, to Kelley, "If you had just come to Walter Morgado or myself this could have been cleared up and this meeting would not have been necessary." He added, pointing to the Selectmen, "These are my bosses - I come to these men first with a problem; I am your boss and you should come to me first before going to the state. If you had been patient you could have taken the test with us - instead you went out of town. You're making a mountain out of a molehill."

Selectman James Huntoon asked Kelley if he was circumventing the system. "It seems you just want to embarrass us." Huntoon was referring to the letter Kelley received from the Maritime Academy that he had sent to Boston without first giving him a copy to Mrs. Doherty or Chief Wood. Huntoon concluded saying to Wood, "God Bless You; if I had someone with his (Kelley's) attitude he wouldn't be working for me."

Chief Wood said he had to admit Kelley did a good job as fire alarm superintendent. Wood said that when Kelley came in with what we thought was documentation, "we paid him, but in the future, courses will be taken here through me or receive my permission to go elsewhere or I'm not paying for it." Kelley responded, saying you can't do that. "I'll

run my department or I'll get out of it," said Wood.

SELECTMEN RECEIVED WORD from Police Chief James F. Moran that he would like to have the Selectmen's support in having the old Council on Aging van turned over to the Police Department for use as a safety van.

In Chief Moran's letter he noted a safety van is a very important feature of any emergency equipment, and the van could be used by the Safety Officer when he conducts his programs at town schools. This would enable him to carry the proper equipment, such as safety cones, to conduct these programs.

The Chief also noted the van could be used to carry truck scales. He said he is arranging to have Lt. James Santos and another officer take a course from the Registry of Motor Vehicles on how to weigh overloaded trucks that are using our town streets and highways. Moran said we have had a number of complaints from people of large trucks carrying gravel and rocks that look overloaded and could not stop in time to avoid an accident if they had to.

The Chief further added that the van could be used for traffic and radar control, especially in the summer beach areas where children are crossing streets, and the town beaches. "And last, but not least, the van could be used in emergency situations, such as areas that are flooded from coastal storms, blackouts, major accidents or any other type of emergency; this would allow the cruisers to answer other emergencies."

Selectmen went on record as favoring the idea with certain stipulations; that if the vehicle is no longer operational, the consent would not commit the town to replacing the van. Moran plans to paint the vehicle with his department funds, Selectmen noted.

the town will share the cost of fencing between his property and the park.

Prouty said he was looking for help in extending the chain link fence between the two properties in order to keep people from coming on his property to use it for a bathroom. "Most of the problems occur in the late evening and, if there is any drinking at all, it creates a nuisance." As there are no restrooms at the park, the offenders use his property not realizing there is someone living there now.

"During the day it is all right. I hate to cry wolf by calling the police because by the time they get there the people are gone," Prouty said. Prouty had three estimates -- he and Selectmen agreed to take Cape Cod Iron and Fence Company of New Bedford, as the low bidder at $1,082 for the total job. Other bidders were Expert Fence Corp. of Norwell, $1,125. and New Bedford Iron Works, $1,385.

Selectmen agreed to pay the cost of $278. to repair the fence up to Ned's Point Road and split the cost of the fence extension into the water, $804. The board agreed to go on the generous side and go into higher water. This will discourage offenders but will not hinder shellfishermen. The board asked Prouty to get the cost per foot so as to divide the cost proportionately. The town accountant informed the Selectmen a transfer of funds will cover the expense.

RECEIVED A CHECK from Mr. and Mrs. Carleton Burr to be applied to the Grace Brownell Memorial Fund and to be used at the town wharf.

ACCEPTED an invitation to attend a reception at Old Rochester Regional High School on August 29 to welcome Donald Murphy, the new Principal, and Paul Grueter, Assistant Principal.

ANNOUNCED the opening of the west side of Shining Tides and the closing of the east side of Shining Tides for the taking of shellfish.

BRAVO!! BRAVO!!

Mr. Pandolfi and members of your company. Your sound of music is magnificent this year. We have said this before I'm sure, but somehow the concerts this season have a new kind of excitement. A bravura, if you will. It makes you sing, dance and march right along with the music. We hope to be listening to your concerts for many years to come and thank all of you fine musicians for sharing your music with us.

thirty minute sessions students accompanied by their parents will visit their assigned Kindergarten classrooms. Classroom assignments will be posted on the bulletin board at the Barstow Street entrance. During this half hour session parents will meet with the classroom teacher while the children visit with classmates and explore their classroom.

Parents who have not completed their child's registration are asked to bring the certificate of birth and required health date (medical examination) with them on this day. Registration can be completed in the office prior to or after the orientation session.

Thursday, September 6th, will be the first day of instruction for Kindergarten students. Students will be bused as per Center School bus scheduled published.

Kindergarten hours are: morning session, 8:30 a.m. to 11:15 a.m.; afternoon session, 12:00 noon to 2:45 p.m.

The schedule below is to be followed for Orientation Day only. Students are listed according to the session they will be attending.

In this week's issue of Presto Press Mattapoisett Seniors will find our ad listing Minibus trips scheduled for September, and several Big Bus trips for Fall and Winter. The Big Bus trips are all open to Seniors from nearby towns, so invite friends to go with you. Please cut out our ad and save for future reference. Reservations may be made by phoning our office (758-3758) or by stopping off at our office in the Town Hall. Unless indicated otherwise, reservations for Minibus trips may not be made more than a week ahead of the day of the trip. Big Bus trips list their own requirements on deposits and deadlines.

We list a make-up trip to the Slater Mills in Pawtucket, Rhode Island. Details of this interesting trip were published in our article in last month's Presto (the issue which had our trip schedule, July 25). We did not have a full Minibus, so there is room for additional reservations. The real reason for the cancellation was lack of a volunteer driver. Note our plea below.

Rep. Walter Silveira

...HE'S DONE THE JOB FOR HIS DISTRICT...

Fighting for new rules and a new speaker will have a dramatic effect on the people of the Tenth Bristol District in the future.

Fighting for programs and policies which lower taxes, make our streets safer and insure that our district gets its fair share of the budget are things Walter Silveira is doing today.

Walter Silveira has fought to insure that Proposition 2 1/2 works the way the voters intended it to work.

He's voted on measures which mandate tough sentences for drunk drivers and drug pushers.

He has seen to it that during his four years in office, Local Aid to the towns he represents has increased an average of 45%.

He's worked with Senator Biff MacLean to cosponsor successful legislation which dramatically reduced the chances of an auto fatality on Rt. 6 in Mattapoisett.

Finally, Walter Silveira saw to it that the Town of Fairhaven was reimbursed for the $40,000 it spent guarding a trailer of seized marijuana.

Taking care of the people at home while working to change the leadership on Beacon Hill. Two good reasons to re-elect Walter Silveira your state representative.

work in Hiller's Cove at Mattapoisett. The work would include removal of the existing south groin and extension and repair of the existing north groin. In addition, a walkway would be constructed along the top of the groin with a gangway and float extending at an angle approximately 30 feet beyond the end of the groin.

The application for the federal permit was filed with the Engineers in compliance with Section 10 of the River and Harbor Act of 1899 which provides for federal regulation of any work in, under or over navigable waters of the United States and Section 404 of the Clean Water Act which regulates the discharge of dredged or fill material in United States waters, including wetlands.

To assist in evaluating the proposed work, the Engineers are soliciting public comments. Written statements should be forwarded to their office no later than September 24, 1984. Additional information may be obtained by contacting Karen Adams at the New England Division, U.S. Army Corps of Engineers, 424 Trapelo Road, Waltham, MA. 02254-9149, telephone 617-647-8493 (toll-free, 1-800-362-4367).

nounced receipt of an $8,000 Merit Aid grant from the Massachusetts Council on the Arts and Humanities for fiscal 1985. The funds are designed to help arts organizations in the state defray their general operating costs and must be matched on a 1 to 1 basis by the institution. The Children's Museum is also eligible to receive an additional $8,000 from the Merit Aid Program during fiscal 1986. This is the first time that the Dartmouth Children's Museum has received a Merit Aid Grant.

"Owing to the recent move to a larger building, the construction of many new hands-on exhibits and the development of major new education programs, we feel that the Museum has come of age," said Rene Laubach, Museum Director. "We are very gratified by the Council's confidence in our institution which is exhibited by this grant", he added.

The Dartmouth Children's Museum is located at 276 Gulf Road in South Dartmouth.

Children's Theatre Workshop

REGISTRATION OPENS SEPTEMBER 12th

On Wednesday, September 12th, at 4:30 p.m. Theatre One Productions will again be offering Children's Theatre Workshops for boys and girls ages five through fifteen. Children will be instructed in the basic techniques of acting, creative movement, mime, voice projection, characterization and concentration.

Children may register now for the ongoing 5-week sessions at the Nemasket Grange Hall, located on North Main Street (Route 105) in Middleboro. At the end of each session, children will perform in a play which is opened to the public.

The Children's Theatre Workshops open the door to many exciting and creative experiences for children. Participation in a drama group from an early age increases a child's self-confidence, self-awareness and the ability to communicate with others.

Business and The Arts

What does Donald Duck have to do with American business? What does Willy Loman in Death of A Salesman have to do with the real world of business? These questions and others will be grist for the mill in Business Ethics and the Arts, a Bristol Community College humanities course that will be given this fall.

Developed with funds from a National Endowment for the Humanities grant, this course brings together the real world of business and the business world as portrayed in literature, films, drama and the arts. Through readings and classroom discussions, students will examine ethical issues associated with everyday business practices.

Team taught by Paul Fletcher, chairperson of the Division of Arts, English, Humanities and Languages and professor of English, and Philip Gover, chairperson of the Division of Business and Engineering, the course is designed to give business students a broader

Grants for Zeiterion

The Waterfront Historic Area League (WHALE) and the Zeiterion Theatre have announced that they have received two grants from the Massachusetts Council on the Arts and Humanities for the 1984-1985 season.

Monies were awarded in two categories: A Merit Aid award of $15,000 that will be split between WHALE and the Zeiterion and will be used for general operating support; and an Incentive Award of $20,000 to continue and expand the Zeiterion's Marketing and Audience Development efforts. The Council regarded the Incentive Award to be one of the most crucial awards given. They felt this community must be made to realize the value of having this resource available to them, and the importance of purchasing tickets to scheduled events. Without ongoing support of subscription, individual or group ticket buying, the Zeiterion would not be able to operate.

The Zeiterion is a not-for-profit professional performing arts center serving southeastern Massachusetts. The Theatre was built in 1923 as a vaudeville house,

Heritage Plantation

PANDEMONIUM PUPPET COMPANY

The Pandemonium Puppet Company will perform "Tales of the Leatherman" at Heritage Plantation of Sandwich Sunday, September 2nd, at 2 p.m. on the Museum grounds.

The "Tales of the Leatherman" is a series of short stories based on Northeast American folklore and song. Characters include Dan Drummer, the cleverest Yankee Peddlar of them all; the Two-Headed Snake of Newbury, New Hampshire; Dougie Hutchins, a downeast farmer and his peg leg pig; Captain Jedidy, a brand new ghost; the Devil; and the Leatherman himself. Also featured is a song based on the story of Springfield Mountain, Massachusetts. Within each performance, local stories are also presented to enliven the audience's interest in their own history.

musical limelight in various famous entertainment centers in New England. Led by Band Leader and composer Winston McMarland (Jamaica), band members John Alves (Percussion), Joel Andrews (Percussion), Frank Alves (Bass Player), Billy Haverstock (Guitarist) and Paul Izzo (Drummer) will recreate the rock opera of Jesus Christ's Life highlighted with such musical numbers as "Hosanna", "I Don't Know How to Love Him", "King Herod's Song" and many others. The production's athletic and demanding dance routines have been choreographed by dancer Beverly Brown, who is formerly a member from the Radio City Music Hall Dancers Association. Producer Anne Joelle states, "Brown's Choreography for this production has been phenonomenal. All the actors are expected to master full scale dance routines in full rock beat as they sing and act their roles." Artistic Director James Lonigro states, "The adult actors have shown relentless dedication to their demanding rehearsal process at the Theatre. Their performances promise to be memorable."

Individuals may reserve seats for this production by calling the Theatre at 224-4888. Priscilla Beach Theatre, is a non-profit professional Drama school for children, teenagers, and adults which does not discriminate according to sex, religion, color, nationality or creed.

Opportunities for Volunteers

VOLUNTEER ACTION PROJECT

Bored with the same old routine? Need a new challenge, a new reason for getting up in the morning? Why not become a volunteer? Whether you have an hour to spare or perhaps lots of hours to spare each week, you can make a contribution. You can spread some sunshine by helping out, and every bit you spread reflects back to you. Sound interesting? Well, Coastline Elderly Services Volunteer Action Project has exciting volunteer opportunities for you to discover. There are over 50 different types of assignments available in 24 service agencies just waiting for the right person. Maybe that person is you.

Volunteers of all ages will find working with the Elderly a rewarding and enriching experience. In addition, Senior volunteers are particularly needed in the fields of Community and Youth services. With September just around the corner, School Volunteers will be in demand as well.

Some of the areas in which you could make a difference as a volunteer include creative arts, recreation, silk screening, story telling, woodworking, photography, research, discussion groups, socialization, cooking, puppetry, letter writing, entertaining, reception, clerical work, cooking, sewing, you name it!

Come see Coastline's list of volunteer stations and assignments, meet with the Volunteer Coordinator, Pam Reed, and avail

Plimoth Plantation

HOSTS VISITING MILITIA FOR MUSTER DAY

Militia from Pennsylvania, New York and Ohio will join the English colonists of the 1627 Pilgrim Village at Plimoth Plantation for a Muster Day on Monday, September 3rd.

The all-day event will feature a general exercise of arms, impromptu fencing, pike drills and feasting.

Participating in the event will be the Theatre of History of Philadelphia, Fort Orange Guard of Albany, and the Cavalier Association of Columbus. All are 17th century reenactment groups.

Early in the morning Captain Myles Standsih, military leader of the Pilgrim colony, will tour the Village and personally inspect each man's arms and armour.

Standish will order the "call to muster" at 11:00 a.m. To the beat of a drum, the assembled militia will march to the field outside the Village palisade for military maneuvers.

Visitors may join smaller units of militia for pike drills and lessons in swordplay and musketry, and other Villagers for sports of pillow-bashing, runnin' the quintain and pitching the bar.

The English will treat the visiting militia to an outdoor feast of cod, venison, furmenty and beer.

Muster Day is a special event at Plimoth Plantation, which re-creates life in the early English colony. It was customary for the Plimoth colonists to inspect and test their military equipment regularly.

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include the full scale replica Mayflower II, docked at State Pier in Plymouth Harbor, the 1627 Pilgrim Village and a Wampanoag Indian Settlement.

Located on Warren Avenue (Route 3A), the Plantation is open daily from 9:00 a.m. to 5:00 p.m. Admission to the Muster Day is $5.50 for adults, $3.00 for children ages 5 to 13. Children under five are admitted free.

A special combination ticket to all exhibits is $7.00 for adults and $4.00 for children.

King Richard's Faire

Have a day fit for a King at KING RICHARD'S FAIRE. Opening Labor Day Weekend, September 1st, 2nd and 3rd, the Faire runs weekends through October 14th (including Columbus Day, Monday, October 8th). Recreation of Renaissance marketplace at festival time -- food, crafts, entertainment, jousting, juggling, costuming and much merriment, the Faire is held in South Carver on Route 58 (between I-495 and Route 25). Come join in the theatrics and enjoy fun for the entire family. The cost is $8.50 for adults, $3.50 for children; children under 5, free. For more information call 866-5718.

-- a route that follows the coast of southeastern Connecticut, Rhode Island and Massachusetts -- summer lasts well into October with special events, festivals and shows every weekend.

The fruits of summer are celebrated the weekend of September 7-9 at the annual Acushnet Apple/Peach Festival at the Long Plain Museum. Count on entertainment, arts and crafts and plenty of native peaches and apples in every form.

That same weekend, the fruits of the sea are celebrated in Buzzards Bay at the annual scallop festival. The native scallop dinner is served continuously from 11 a.m. to 10 p.m., Friday, Saturday and Sunday.

On Saturday, September 15, Onset salutes the harvest moon with a parade, band concert, flea market, arts & crafts exhibits and plenty of seafood.

The following weekend, two major events take place. In Taunton the annual Oktoberfest takes over Tiger Stadium (September 21-23) with plenty of German food, entertainment and, of course, beer. While at Southeastern Massachusetts University in Dartmouth, the Eisteddfod brings together some of the best traditional music and folk arts of every description -- from juggling to storytelling.

Edaville Railroad in South Carver takes an old time country fair atmosphere for the Massachusetts Cranberry Festival and fair, an annual event that lasts for two weekends, September 29-30 and October 6-7. The steam train stops in the cranberry bogs for

LaSalette Shrine, known for its Christmas Lights, holds its fall festival October 12-14 called "Christmas in October", a nice event for families.

If you like to taste an authentic part of New England, circle October 20-21, the dates for the Johnnycake Festival at Usquepaug, Rhode Island. Mill tours, Indian dances, antique car displays form the backdrop for the thin cornmeal pancakes, the stars of the show.

These are some of the things going on during the late summer/early fall in southeastern New England. For a complete Americana Trail calendar of events write: Calendar, P.O. Box 976, New Bedford, MA. 02741.

LISTS FALL FILM SERIES

The fall film series, "From the Fabulous Fifties", begins at the New Bedford Whaling Museum, 18 Johnny Cake Hill, New Bedford on Thursday, September 20th, at 8:00 p.m. in the Museum Theater.

Films this fall will include Rebel Without a Cause, September 20, starring James Dean and Natalie Wood. During his short career, James Dean epitomized the misunderstood youth of the 1950's and this is the film that led to the posthumous cult of this charismatic actor; An American in Paris, October 4, starring Gene Kelly and Lesley Caron; dazzling color and brilliant choreography frame a lovely score by the Gershwins in this highly original musical; High Noon, October 18, starring Gary Cooper and Grace Kelly; this landmark western is a gripping study of one man's courage, and Cooper won an Academy Award for his performance as the small-town sheriff. Father of the Bride, November 1, starring Spencer Tracy and Elizabeth Taylor. A witty commentary on the American family featuring a matchless performance by Tracy as the father reluctant to lose his daughter to marriage. On the Waterfront, November 15, starring Marlon Brando and Rod Steiger. Brando plays a

Labor Day Weekend Traffic

The Massachusetts Turnpike Authority, anticipating heavy traffic over the Labor Day weekend, issued a warning to motorists that the 55-mile per hour speed limit will be rigidly enforced along its 135 mile roadway.

Chairman John T. Driscoll said, "State Police from Troop 'E' who patrol the turnpike will augment regular radar teams in order to discourage excessive speeding." In addition, radio-equipped emergency service patrol vehicles will assist police in locating and assisting motorists in disabled vehicles and a full force of toll collectors will be at all interchanges across the turnpike.

Chairman Driscoll also said, "the Howard Johnson and Burger King Restaurants along the turnpike will provide free coffee to patrons of the turnpike to promote safe driving." The gesture is intended to remind motorists that rest stops and coffee stops can help to keep drivers alert, thereby improving driving performance. Certificates will be distributed at toll plazas allowing motorists to be served coffee without charge from 10:00 p.m. on Monday, September 3rd, through 7:00 a.m. on Tuesday, September 4th.

Driscoll added, "It has been proven that compliance with the 55-mile per hour speed limit has reduced fatalities by at least 10% annually along our nation's highways. It is especially important during this weekend that all motorists, without exception, limit their speed to this legal limit. We are determined to enforce this law. In doing so, we will achieve a safer weekend for all."

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.
Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude.
